Tomson Bros. Consignment

In selecting the cattle for this sale we decided to make it a Tomson bred offering. All but one have been bred by us and she descends from cows of our breeding. We also decided to feature the get of Maxwalton Harvester. Twelve of his daughters and seven of his sons are cataloged and we think you will approve the type and color of his get.

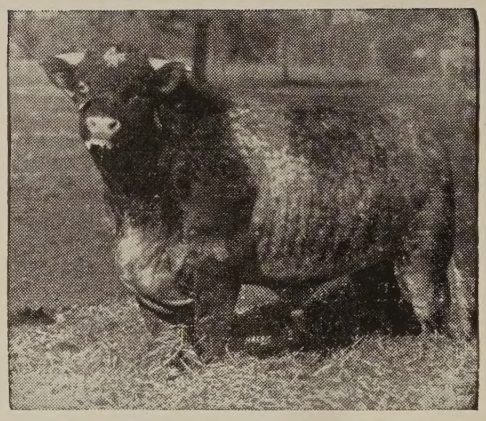

The seven bulls are all dark colors and all are out of red dams. We have never offered in one sale seven bulls of their equal. The entire offering is from our dependable families and we are sure will maintain the reputation made by Tomson bred cattle.

Eight of the heifers are safe in calf to our junior herd bull, Edellyn Royal Favorite. You will be pleased with the entire lot of females. They have choice breeding, desirable type and good colors. All females but one have been given calfhood vaccination for Bang's.

Will be glad to make hotel reservations if requested to do so.

TOMSON BROS.

Maxwalton Harvester 2035827—Has developed into a very deep bodied, thick bull, with great covering of mellow flesh and stands close to the ground. We think he is siring a grand lot of calves and we hope the twenty head by him in the sale will meet your approval. They are good doers, and have good colors, and are uniform in type. His sons are being placed in prominent herds.

Dillard H. Clark Consignment

It is with pleasure that I present to the public, the Shorthorn cattle whose registries follow.

Considerable care has been used in the selection of the foundation stock used at the Elkhorn Ranch and especially is this true of the herd bulls.

Without exception the bulls used since the formation of this herd have been sons or grandsons of some of the greatest breeding bulls in America.

With three exceptions, the entire offering has been produced at the ranch from good useful cows that have been in my herd for a number of years and I can give unqualified recommendation as to the quality of the produce of these cows.

The cattle have not been highly fitted, but are in good thrifty condition ready to go out and make good in their new home.

A number of heifers carry the services of Elkhorn President 1930784, Edellyn Radiant Command 2024080 and College Premier 2128254. A breeding schedule will be furnished sale day.

Your attendance and support will be appreciated.
